Happy New Year!!

The **Living Rite** column explores what you will see, hear, taste, touch or smell while at church this weekend.

Have you ever been on a salt-free or even a low salt diet? How would you describe it? Healthy, perhaps. But also a bit bland, even tasteless.

Salt adds something to the meal — and not just the meal. Salt has been used in medicine, for trade, to preserve foods and even as currency for thousands of years. The word “salary” comes from salt. Salaries were first determined by the amount a Roman soldier received to buy his portion of salt for his food rations.

In the Gospel this weekend, Jesus asks us to imagine a world where salt — and faith — has no flavor, no tang, no crispness on the tongue. Salt adds flavor to food and faith adds zip to the life of the church. Blessed salt is a sacramental and has been used in baptisms and exorcisms. The blessing of salt traces back to the Old Testament and the prophet Elisha, who was staying in Jericho at a time when people there complained that their well water was contaminated.

Elisha asked for a bowl of salt and threw it into the spring that was the source of the water. He pronounced God’s blessing saying, “Thus says the Lord, ‘I have purified this water. Never again shall death or miscarriage spring from it’” (2 Kgs 2: 21). The water was immediately clean and remained fresh.

When we hear the Gospel about Jesus calling his disciples “salt of the earth” (Mt 5:13), we probably think of this as an order to bring the spice of the Good News to the world.

However, the Lord might also have meant that they should keep the faith fresh, just as the water at Jericho remained fresh and life-giving.

What do you do to keep your faith fresh?

One thing is to come to Mass and other liturgical celebrations. Sharing in the prayers and Scripture readings, as well as receiving the Blessed Sacrament, helps us freshen our faith, spreading its zip around, renewing its spice and even adding new dimensions to its flavor.

Just think about how participation affects a Mass, sort of like salt added to a soup.

Is the music lively this weekend, or a bit flat? What about the participation of the liturgical ministers? Does the lector add some spice at just the right part in a reading? Does the cantor put just a little more zip into a well-loved refrain?

And does the homily spice up your faith life?

Then, there’s also you at the Mass. Did you bring your salt to Mass? Do you join in the singing? How about giving an extra smile for a stranger at the sign of peace? Do you take time after Mass to check on how an older parish member is feeling?

Salt of the earth adds spice to life. We are salt and our faith flavors can light up the world.

## PROJECT AVAILABLE – LENT 2022

Can you help purchase a cow(s), at \$75.00 each, for a leprosarium sponsored by the Franciscan Missions?

For people with leprosy, medical treatment and rehabilitation are vital. When a cow is given to the leprosarium, look at how it can help:

1. The cow furnishes milk to supplement diets.
2. The cow provides manure that, when mixed with dirt, becomes mortar.
3. The cow provides natural fertilizer for gardening.

In reality, any gift keeps giving, but especially if it's a cow! And when the cow gives birth to a calf, the calf is given to another leprosy village.

If you are able to help, please use the envelopes provided at each church entrance or you can send financial support directly to:

## SEWING MACHINE PROJECT 2022

Can you help purchase a sewing machine (s), at \$100.00 or you can give ANY amount you wish and you may purchase something together with a friend/family. The sewing machines are given to families in India. This will be used to help teach girls and women sewing and tailoring skills in order to support their families. Envelopes will be available at the church entrances during Lent. Any donations will be greatly appreciated. Thank-you.

Donations will be sent to:

**St Lawrence's Social Concerns Group** was happy and anxious to start getting together after not meeting during Covid. The group consists of: Pat Weier, Judy Berreitter, Jackie Thyssen, Lori Mackowiak, and Carol Weyenberg. Our goal is to welcome and celebrate everyone, baptized infants, newly married couples and families joining our parish. Rosaries for the missions are made and shipped by our group. We sponsor the Christmas Giving Tree to help various organizations and/or families needing assistance. In addition, we assist the parish in honoring our veterans and supporting the Right to Life Movement.

Our biggest fundraiser is the Chili Dump, held in February. As of now, we plan on having it in 2022. We hope to see everyone there!

We are always looking for new members, so if you would like to join our group you are more than welcomed to join us.

**Happy New Year and Gob Bless!!**
